

Disclaimer and Terms & Conditions for eOpportunities

The information contained herein are strictly confidential and meant solely for the recipients only. The information given herein shall not, in any way, be altered, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of JM Financial Services Limited ("JMFS").

JMFS facilitates online transactions in IPOs, mutual funds, bonds, Corporate FDs and various other instruments through its distribution network. The links provided on the website of JMFS, are the same as provided by the issuers of the products/instruments. The online facilities are provided by JMFS through its distribution network for investments in mutual funds, bonds, corporate fixed deposits etc. on the best effort basis. JMFS shall not be responsible for the circumstances wherein any of the links provided by it on its website, does not work or the user is not able to connect to the issuers for undertaking transactions.

The above service is dependent on various factors such as technology, system set-up, power components, internet, the services of software vendors, access to the websites of the various issuers, internet connectivity, network and all other factors over which JMFS does not have any control. JMFS shall not be liable or responsible for any such issues in any circumstances whatsoever. JMFS and any of its affiliates/associates/employees and directors shall not be responsible for any loss; actual or notional, damages or any detriments of whatever nature if the user fails to connect on the various links provided by JMFS and/or any issues arising therefor. Availing the online facilities of JMFS is solely at the user's own risk and responsibility and JMFS shall not be responsible for any theft, viruses, hacking of the data/website and other items of a destructive nature, which are beyond its control.

Investments in securities market products and instruments are subject to market risks including without limitation, price, volatility, liquidity and capital risks. They are generally not an appropriate avenue for someone with limited resources and low risk profile. The investors should enquire; investigate about the products, instruments, issuers of the product etc. before taking any investment decision. They should take independent professional advice from the experts to understand the various risks involved in the investments in securities market products/instruments. The information contained herein should not be construed as forecast or promise or guarantee or assurance of any guaranteed or fixed returns.

The aforesaid service is not intended to be provided to any person or entity who is a citizen or resident of or located in any state, country or other jurisdiction, where providing such services would be contrary to law, regulation or which would subject JMFS and/or its affiliated company(ies) to any registration or licensing requirement within such jurisdiction. This service may or may not be provided in all jurisdictions or to certain category of investors. Persons in whose possession this information may come are required to take note of such restrictions and comply with the same.

Any disputes shall be governed by laws of India and shall be subject to jurisdiction of courts in Mumbai only.
